

Summary of European Polygraph Journals:

Volume 4-2010-Number4 (4)

Guiding Principles and Benchmarks for the Conduct of Validity Studies of Psychophysiological Veracity Examinations Using the Polygraph

Volume 4-2010-Number 2 (12)

A Field Study of Backster's Either or Rule and Scoring Systems – Matte

Integrated Zone and ASIT PolySuite Field Validity Study – Shurany & Chaves

Comparison between 7 Point Scale and Objective Scoring System – Lesniak & Zubanska

Volume 5-2011-Number 2 (16)

Psychological Aspects of Quadri-Track Zone Comparison – Matte

Polygraph Verification Test – Shurany

Volume 5-2011-Number 3-4 (17-18)

Effect of Habituation in Examinations – Matte

Analysis of Facial Skin Temperature – Polakowski, Kastek & Piliski

Result of Polygraph as Argument in Criminal Investigation – Ibek

Efficiency Formula for Polygraph Examination – Salduziunas & Kovalenka

Legal Admissibility of Employee Polygraph in Poland – Widacki & Cempura

Volume 7-2013-Number 4 (26)

History of Polygraph in Poland – Widacki

fMRI Lie Detection Validity & Admissibility as Evidence in Court – Matte

Volume 8-2014-Number 3 (29)

Polygraph examination analysis as evidence – Konieczny

Content analysis algorithm to statement veracity assessment – Wojciechowski

Volume 8-2014-Number4 (30)

*Detetion of concealed information with P300 potential amplitude analysis –
Wojciechowski*

Selected Problems in Evaluation of Polygraph Results – Lesniak

Volume12-2018-Number 1-43

The effectiveness of Fmri data when combined with polygraph data.pdf

Volume 12 – 2018 – Number 2-44

Idiosyncrasies in chart evaluation.pdf

Volume 12 – 2018 - Number 3(45)

Setting the Record Concerning QTZCT and BZCT

RESEARCH DIGESTS

2014:

Volume 1 Number 1: *Rebuttal to Cushman by Matte concerning Matte Quadri-Track
Inside Track*

Volume 1 Number 2: *Evaluation of Skin Conductance at Alternate Anatomical Sites*

Volume 1 Number 3: *Ocular-Motor Methods for Detecting Deception*

Volume 1 Number 4: *Error Related Alpha Suppression: An Arousal Response To
Mistakes?*

2015:

Volume 2 Number 1: *Differential Symptom Contribution to the Error related Negativity
Across Tasks*

Volume 2 Number 2: *Psychopathic Traits & Susceptibility to Contagious Yawning*

Volume 2 Number 3: *Constructing Rich False Memories of Committing Crime*

Volume 2, Number 4: *Identifying and Cultivating Superforecasters as a Method of
Improving Probabilistic Predictions*

Volume 2, Number 5 *LIMITED CRITIQUE OF BOOK: Fundamentals of Polygraph Practice,*

Volume 2, Number 6 *SCIENTIFIC VALIDATION OF POLYGRAPH TECHNIQUES REVISITS ADMISSIBILITY IN COURT* by James Allan Matte and Denis A. Kitchen

2016:

Volume 3, Number 1 *Limited Critique of Book: Detecting Deception: Current Challenges and Cognitive Approaches*

Volume 3, Number 2 *When Threat Is Near, Get Out of Here Dynamics of Defensive Behavior During Freezing and Active Avoidance*

Volume 3, Number 3 *Effects of Room Temperature on Concealed Information Test.docx*

Volume 3, Number 4 *Orienting versus inhibition in the Concealed Information Test: Different cognitive processes drive different physiological measures.*

Volume 3, Number 5 *External validity of Concealed Information Test experiment: Comparison of respiration, skin conductance, and heart rate.*

2017:

Volume 4, Number 1 *A research study into the accuracy of interviewer decisions of truth or deception of an innocent criminal suspect pre and post Forensic Assessment Interview Technique (FAINT) training.*

2018:

Volume 1, Number 1 *Detecting and dealing with countermeasures - Ukraine (POSSIBLE PSYCHOPHYSIOLOGICAL METHODS OF COUNTERING POLYGRAPHOLOGICAL CHOICE, METHODS OF DETERMINING AND TERMINATION OF SUCH TIPS)*

Volume 1, Number 2 *Features of the photoplethysmograms usage in the presence of difficulties in cardiac signal analysis – Ukraine*

2019:

Volume 1, Number 1 *Effects of Negative Motivation on Deception*

Volume 1, 2019, Number 2 *Lessons from Pinocchio*

Volume 1, 2019, Number 3 *Hide and Seek: The attempt to conceal (vs. reveal) information during CIT examinations.*

Volume 1, 2019, Number 4 *Forensic Interview Methods for Sexual Abuse.*

Volume 1, Number 1, 2023 *Standard Operating Procedures*

Volume 1, Number 2, 2023 *Letter to the Editor with Response and Rebuttal (2)*

Volume 1, Number 1, 2024 *Investigative Interview vs. Polygraph Pre-Test Interview*
